WHAT

Cry Out America is a united effort seeking deep transformation and a Christ Awakening in every state, every county, every church and every heart in the nation.

This prayer initiative was birthed in the patriot hearts of America following the terrorist attacks on September 11, 2001. Millions of believers have united in the public square to **remember** the sacrifices of **yesterday**, seek God's face for the **restoration** of godliness **today**, and help **redeem** generations from the strongholds of darkness that they will face **tomorrow**.
