Dear Pastor [name]:

Cry Out America is a united effort seeking deep transformation and a Christ Awakening in every state, every county, every church, and every heart in the nation.

This prayer initiative was birthed in the patriot heart of America following the terrorist attacks on September 11, 2001. Since that time, millions of believers have united annually in the public square to remember the sacrifices of yesterday, seek God's face for the restoration of godliness today, and help redeem generations from the strongholds of darkness that would engulf them tomorrow.

On **September 11, 2014**, believers once again will gather from across the nation at state capitols, county courthouses, community centers and other public venues to **Cry Out to God** for revival and renewal in America. This will be a time to reflect on the greatness of our nation, recognize our shortcomings, and pray for a spiritual awakening.

On behalf of the planning team and many other county residents, who are concerned about the issues we face, I want to invite you to be part of the **Cry Out America** prayer movement through: **(1)** registering your local church to unite in prayer with other believers across the nation; **(2)** committing your congregation to host and lead a prayer gathering on the Sunday prior to 9/11; **(3)** encouraging your congregation to join at your county courthouse or other public venue at noon (or other designated time) on 9/11 to **Cry Out** with others for a Christ awakening in America.

Please join us in seeking God's help for the soul of our nation. For more information about **Cry Out America**, visit www.awakeningamerica.us. You will find media clips, posters, bulletin inserts, prayer guides, and other resources to help you join with thousands of churches crying out for a Christ-awakening in America. If you have questions about the [Name] County gathering, call [Phone Number] or email [Email Address].

May God bless you richly in the days ahead!

Sincerely,
